

Building your dream home

Somerset Homes wins Best Home Builder in Wimberley

Matt Lowry, Owner of Somerset Homes, began his building career in 1998 in Central Texas. He started the company when he moved his family to Wimberley. Matt believes that the love for his work shows in the quality of his product. "I learned early on that there will always be a place for a builder that builds a quality product, offers it at a fair price and who has satisfied clients", he says. These principles have provided the foundation for Somerset Homes' success in the Wimberley area. Karl and Matt have built a great team of loyal contractors who also possess a pas-

Since 1998, Somerset Homes has built over 100 homes in the Wimberley area

sion for a job well done.

Karl Knutsen, Somerset's VP of Construction, has worked in the home building industry for 23 years. He has a passion for home construction and takes great pride in the care and ef-

fort he puts into each home. Jim Dale, a more recent addition to our company, has provided invaluable measure to our planning and strategy operations systems.

Building over 100 homes in the Wimberley area is proof of Somerset's customer satisfaction and longevity in the business and local community. Their loyalty to pride and craftsmanship is expanded upon with each new home they build together. Ask any of their happy homeowners and they will tell you that Somerset Homes is by far their "favorite" builder in town!
